Subject: Adjustable Stop Blade Color Change for Adjustable 50 Series Switches

This Product Advisory Notice is to alert you that Grayhill is changing the finish coloring on the adjustable stop blades for 50/51 series switches. ***Please forward this notification to the appropriate person(s) in your organization.***

Description of Change

The adjustable stop blades used in the 50/51 series have historically been dyed red for identification purposes during Grayhill's production. The stop blades are changing from a red dyed finish to being coated with black oxide. This change will only affect the part color.

Reason for Change

Red Dye process used historically has been obsolete.

Effective Date

The black oxide finished stop blades will be phased into production starting October 15, 2019. The red stop blades will continue to be used in production units after this transition date until the current inventory of stop blades has been exhausted.

Part Numbers Affected

See attached

Action Required

None. Please contact your Grayhill, Inc. Business Development Manager or Sales Engineer for further information.
