Subject: Notice of Obsolescence - P1004-10
Document: LFPCN_RC00064
Date Released: March 24, 2023

Dear Valued Customer,

This notice is to advise you that Littelfuse will no longer supply the P1004-10 1M Ohm $\pm 10\%$, $\frac{1}{4}$ watt potentiometer. We regret to inform we do not have an alternative to recommend at this time. A sales block has been implemented effective immediately and we request any open orders to be cancelled. The P1004-10 will be no longer available for an indefinite amount of time.

For detailed information about a suitable replacement, please contact technical support at relays@littelfuse.com or 1-800-832-3873.

Sincerely,

Richard Dale
