

# ELI121-CRW

## Product Change Notification Form

<b>PCN Number:</b> 20161205-01	<b>Rev:</b> 4.0	<b>Date:</b> 12/05/2016
--------------------------------	-----------------	-------------------------

**Summary of Change:** FDI has updated the ELI121-CRW Rev 4.0 Display to add mounting brackets to the assembly to provide for easier mounting. Since the version of the unit without mounting brackets will no longer be available, the P/N remains the same but the revision is being updated to Rev 4.1.

**Reason for Change:** To provide our customers with a better mounting method to facilitate a quicker, easier design and/or incorporation of the ELI display assembly into a front panel or enclosure.

**Detailed Description of Change:**

Two side mounting brackets have been designed and incorporated into the design drawings and 3D model. The ELI121-CRW assembly will be delivered with these brackets already attached for ease of use.

**Products Affected:**

Affected Product (Rev 4.0)	Recommended Replacement Product (Rev 4.1)
ELI121-CRW	ELI121-CRW

**Availability of new revision stock at distributors:**

All Rev 4.0 units that are in distribution stock will be replaced with Rev 4.1 to upgrade the Display Assemblies with these brackets.

All future shipments from Future Designs, Inc. will be Rev 4.1 units that contain this improvement.

**Forecasted Key Dates and Milestones:**

12/05/16 PCN Date. The date this document was released for distribution to customers and distributors.

12/12/16 Production Date for Recommended Replacement Product. The first date that production quantities of the replacement units will be available for customer order.
