

Product Obsolescence Notification

PON# PON-20210901-F01A0
Issue Date: 09/01/2021

Dear Customer,

Broadcom announces the obsolescence of the following OSD Products.

The part numbers have approached the end of product life cycle. As a result Broadcom has to announce obsolescence for the following products. A suggested alternative product(s), if available, is indicated in the table below. Alternative product may differ in functionality and/or may not inter-operate with the original products.

Broadcom P/N	Product Description	Suggested replacement P/N
AFBR-57L5APZ AFBR-57L5APZ-xxx	2G SFP Transceiver for Multimode Fiber	AFBR-710AMZ

This notification is effective September 1, 2021. The key milestones are:

Last Time Buy Date is February 1, 2022, allowing 6 months for final customer orders.

Last Time Ship Date is July 1, 2022, allowing 6 months for final shipments.

**Special exceptions may apply for specific customers.*

Please note that orders will be accepted on a non-cancellable, non-returnable (NCNR) basis only. Broadcom reserves the right to limit last time buy quantities based on capacity and material availability.

If you have any questions about this obsolescence, please contact your Broadcom Field Sales Engineer or Contact Center (<https://www.broadcom.com/company/contact>) for any questions or support requirements.
