

## Product Discontinuation Notification

15<sup>th</sup> July 2021

Panasonic Battery Customers:

The purpose of this letter is to inform you that Panasonic is discontinuing the remaining Valve Regulated Lead Acid products. These batteries are discontinued immediately in the United States and Mexico.

The complete list of the EOL Valve Regulated Lead Acid batteries is attached.

Thank you for your understanding regarding this product notice. If you have any questions, please contact your account manager or send an inquiry to [oembatteries@us.panasonic.com](mailto:oembatteries@us.panasonic.com)

Sincerely,

Christopher Holt  
Product Manager  
OEM Battery Group
