End of Life Declaration

This is a formal End of Life Declaration of the following parts:

- iFLEX-iRIS-X0-561-0.7-50-NP with PN 014690
- iFLEX-iRIS-X0-561-0.7-20-NP with PN 015292
- iFLEX-iRIS-X0-532-0.7-20-NP with PN 015291

This letter is to notify the end of life and obsolescence of the above noted products. These products were manufactured and sold by Qioptiq Photonics Ltd. (Hamble, UK).

Service for the mentioned products will end by 30th June 2020.
Excelitas/Qioptiq already stopped further selling of these parts end of 2019.

Excelitas/Qioptiq is planning to introduce successor products of the 532nm and 561nm lasers in 2021.

We will not offer Last Time Buy (LTB). This takes into account that there was none of the products ordered during the last two years.

Please remove these products from your website, stop selling and advertising of them.

For further questions and inquiries, please feel free to contact our sales organizations or me.

Sincerely,

Dr. Volker Melzer
Director Product Management Laser Technology
