<input type="checkbox"/> Quality Improvement	<input type="checkbox"/> Product Enhancement

Product Notice	<p>Due to the recent EOL of the Telit LE866-SV1 cellular module, Digi is discontinuing the Digi XBee 3 Cat 1 Verizon SKUs effectively immediately. Digi has limited inventory available for last-time buy purchases. Digi will be actively working to prioritize existing orders and accommodate all customers as much as possible. Newly submitted orders may be subject to modification or rejection.</p> <p>There is no direct Cat 1 replacement at this time, but Digi will be releasing a new Cat 1 XBee in 2022. The Digi XBee 3 Cellular LTE-M/NB-IoT Smart Modem, XB3-C-A2-UT-001, may also be a suitable replacement for many at this time.</p> <p>If you have questions about this notice please contact your sales representative or the Digi Technical Support Department via email at tech.support@digi.com.</p>
