## BFA.3K Cap Design Modification

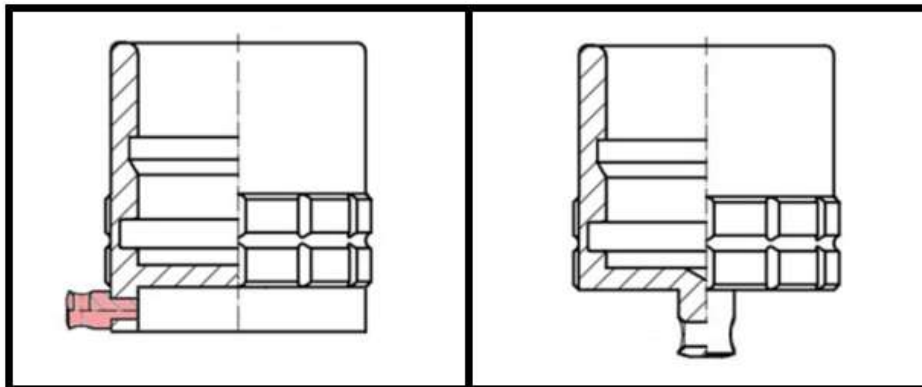

### Summary:

The location of the lanyard attachment post of the BFA.3K cap has been modified.

### Details:

The lanyard attachment post location is now on the top of cap rather than on the side.  
The cap is made of a single piece rather than two separate pieces.

The part numbers remain the same.

Previous Design  
2-piece

Current Design  
Single piece

### Timing of change:

The change will be implemented when stock is depleted.
