Reason: TG-A2030 (also known as TG2030) silicone thermal pad has been superseded by TG-A2200 & TG-A3500 and is entering its EOL period.

Description: T-Global Technology's new TG-A series range of silicone thermal pads are the next generation of thermal interface materials utilising the latest technology and processes. They offer similar or improved performance over their predecessors at a reduced cost.

For this reason, t-Global has decided to end of life these products in our distributor Digi-Key Electronics to promote the use of the TG-A series for new projects.

If you have any concerns regarding the replacement materials or require more information, please do not hesitate to contact us at sales@tglobaltechnology.com.

Last Buy: 30th June 2023
