Description and purpose of change: Due to improved measurements, Würth Elektronik changes the datasheet value for Rated Current from 2A to 3A. The test conditions stay the same. This is only a datasheet change. There will be no change in form, fit, function, quality or reliability of the product.	
Detail of Change: Current rated current value: 2A (@70°C) New rated current value: 3A (@70°C)	
Reliability / Qualification Summary: Product approval is according to the specification criteria and is internally released by the Product Management Department.
