

Particle Change Notification

Particle Change Notification (PCN) Number: 20

Date: June 28, 2021

Reason for Change: End of Life of Boron 2G/3G Global Starter Kit

Change Type Description: This document is to inform you that Particle has discontinued the SKU BRN310KIT. We will no longer be manufacturing this product and presently we recommend Boron 2G/3G Global Starter Kit with EtherSIM, SKU BRN314KIT as a substitution.

If you have any technical questions or inquiries regarding this Particle Change Notification (PCN), please feel free to contact me by email at kirk@particle.io or call me at 925-876-6065.
