

TiWi-SL: End of Life Notice

March 23rd, 2018

To our Valued Customers:

Laird is officially announcing the end of production for the TiWi-SL product line.

Part numbers affected:

- **450-0067**: TiWi-SL Module, Tray
- **450-0067R**: TiWi-SL Module, TR
- **450-0089**: TiWi-SL EM Board w/ Chip Antenna

Laird is pleased to offer a last-time buy opportunity to customers for the part numbers referenced above. The last time buy (LTB) purchase orders must be placed by September 1st, 2018. Last time buy purchase orders are non-cancellable, non-returnable (NCNR) and all units must be accepted by March 31th, 2019.

For new product designs, we recommend using the Sterling-LWB with an STM32F4x MCU. This combination will provide 2.4GHz 802.11n + BT/BLE + MCU running WICED. Sterling-LWB for WICED Evaluation kits are available from Laird and many major electronics distributors.

We apologize for any inconvenience that this may cause. If you have any questions, please call your normal sales representative or one of our regional contact numbers below.

Sincerely,

Jay White
