

Product/process change notification

PCN N° 2021-058-A2

Dear customer,

Please find attached our Infineon Technologies AG PCN:

Removal of additional label on the module card box

Important information for your attention:

- Please respond to this PCN by indicating your decision on the approval form, sign it and return to your sales partner before **2021-09-09**
- Infineon aligns with the widely recognized JEDEC STANDARD “**JESD46**“, which stipulates: **“Lack of acknowledgement of the PCN within 30 days constitutes acceptance of the change.”**

Your prompt reply will help Infineon to assure a smooth and well-executed transition. If Infineon does not hear from your side by the due date, we will assume your full acceptance to this proposed change and its implementation.

Your attention and response to this matter is greatly appreciated.

On 16 April 2020, Infineon acquired Cypress.
We are now in the process of merging and consolidating our tools and processes for PCN, Information Notes, Errata and Product Discontinuance.
For further details, please visit our website:

Product/process change notification

PCN N° 2021-058-A2

► **Products affected**

Please refer to attached affected product list
 “pcn_2021-058-A2_[customer-no].pdf”

► **Detailed change information**

Subject

PCN 2021-058-A / initial PCN with 68 products
 PCN 2021-058-A1 / additional 5 products
 PCN 2021-058-A2 / additional 17 products
 IHM A and IHV B are packed in card boxes. These boxes can have a capacity of one to four modules. After sealing the package with the shipment label, additional labels of the enclosed modules are placed on the box. These labels are going to be removed since the identical information is available on the enclosed modules.

Reason

Simplification and standardization of production process

Description

Old

Copies of module labels attached to the carton box

New

Module labels removed

► **Product identification**

Date code

► **Impact of change**

No impact on electrical performance. Quality and reliability verified by qualification. There is no change in form, fit and function
 There is no change in the assembly process at Infineon.
