

**PLEASE CHECK WWW.MOLEX.COM FOR LATEST PART INFORMATION**

**Part Number:** [1301080210](#)  
**Status:** **Active**  
**Overview:** Wide-Area Lighting Products  
**Description:** Watertite Wet Location 26W Fluorescent Screw Mount Machine Light, with 16/3 SJTOOW Cord Type, Overall Cord Length 4.57m (15.0')

**Documents:**

[RoHS Certificate of Compliance \(PDF\)](#)      [Product Literature \(PDF\)](#)

**Agency Certification**

CSA                                  LR85374  
 UL                                      E174254

**General**

Product Family                                  Portable Lighting  
 Series    [130108](#)  
 Exclude SD Check                              Yes  
 NEMA Configuration                          NEMA 5-15  
 NEMA Rating                                    NEMA 4X  
 Outlet    None  
 Overview                                         Wide-Area Lighting Products  
 Product Literature Order No                 987650-8054  
 Product Name                                  Watertite  
 Type    Wide Area Lamps  
 UPC    78678829027

**Physical**

Cord Length - Primary                        4.57m (15.0')  
 Cord Length - Secondary                    N/A  
 Depth    69.85mm (2.750")  
 Duty    Industrial  
 Guard Included                                 No  
 Guard Type                                      N/A  
 Height     N/A  
 Length    444.50mm (17.500")  
 Material - Globe                                Butyrate  
 Material - Guard                                Nitrile Rubber 80 Shore A  
 Mounting Style                                 Screw-Bracket  
 Packaging Type                                 Carton  
 Socket Construction                         N/A

**Electrical**

Bulb Type                                        Fluorescent  
 Cord Type - Primary                         16/3 SJTOOW  
 Lamp Type                                      PL-C 26/41/4P  
 Lamp Wattage - Maximum                    26W  
 Lumens    1800  
 On/Off Switch                                 Yes  
 Voltage (Fixture) - Maximum                120VAC 60 HZ

**Material Info**

Engineering Number                         2126S
