

# Product Change Notification

## TE Connectivity

Product Change Notification: P-21-020594

PCN Date: 10-MAR-21

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

**General Product Description:**  
Raw material supplier change

**Description of Changes**  
Dear Customer, we hereby inform you about a running raw material change for mentioned part numbers, which are under design responsibility of TE Connectivity. As already communicated, this action is mandatory to ensure the deliveries towards our customers and avoid shortages. In case of further questions and detailed information, we kindly ask you to get in touch with your sales representative first to achieve a common understanding.

**Reason for Changes:**  
Part status change. Due to Force Majeure of resin suppliers, TE Connectivity has to switch at selected components to similar material as the previous material. The traceability of the parts is given by the date clock at single components, due to urgency. The material marking and the revision change of components and assemblies will take place in running change. Based on the qualification tests there is no negative impact on product performance is foreseeable. The approval of restricted OEM sales parts is available.

**Estimated Dates:**
