Product Change Notice (PCN)

26th of March 2021

LFPCN0040321SIC

Product Change Notification for Littelfuse Silicon Carbide Diode, EOL

Changes: Material / Qualification / Marking

To whom it may concern,

Littelfuse would like to notify you the termination of our SiC Diode LSIC2SD120D20 and its replacement with the part number LSIC2SD120D20A, with immediate effect.

There is no last time buy possibility for the LSIC2SD120D20.
The LSIC2SD120D20A is already orderable.

The LSIC2SD120D20A is identical in the function to the obsoleted part while providing enhanced reliability. A qualification report is available on request.

Summary of changes:

	Affected Part Number	Replacement
Part designation	LSIC2SD120D20	LSIC2SD120D20A
EMC change	E500HA	G700HF
Polyimide change	3400	4104
Qualification change	-	AEC-Q101 qualified
Marking change		"A" suffix

*check datasheet for details

This change impacts the above-mentioned product only.
Please contact your Regional Sales representative or Field Application Engineer for any inquiry.

Best Regards,

Francois Perraud
