Data Sheet Change:

- Yes No

Attachment:

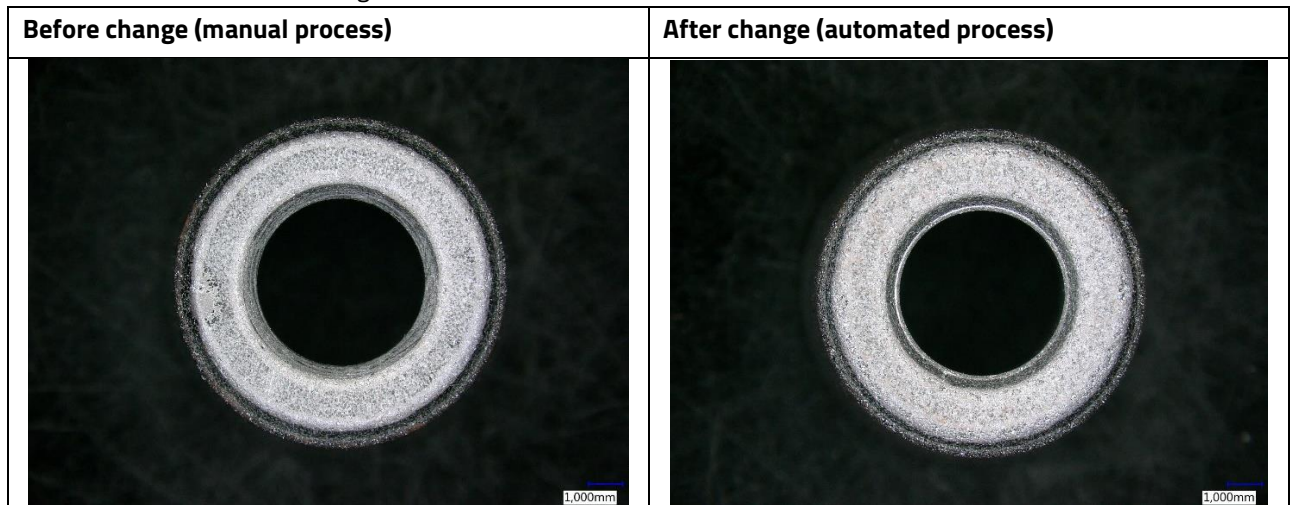

- Yes No

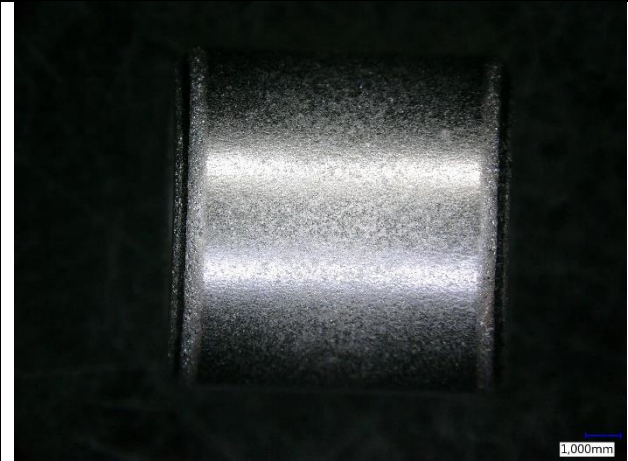

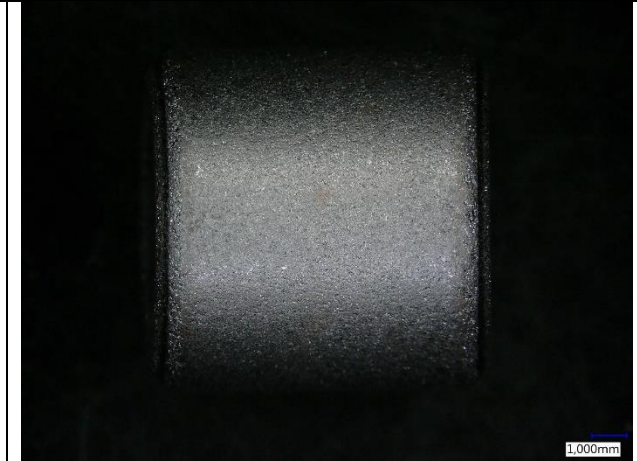

Description and purpose of change:

To improve the processability, Würth Elektronik will change the grinding process of WE-AFB part number 74270033. All products with date code 2022-10-15 or later, will be affected by this change. There will be no change in form, fit, function, quality or reliability of the product.

Detail of Change:

The grinding process of 74270033 will be changed from a manual to an automated tumble grinding process. This can lead to a minimal change in the surface texture.

Before change (manual process)	After change (automated process)
 1.000mm	 1.000mm
<p>Reliability / Qualification Summary:</p> <p>Product approval is according to the specification criteria and is internally released by the Product Management Department.</p> <p>The following items are part of the internal release process:</p> <ul style="list-style-type: none">- Visual Appearance (Surface, Burr, Contaminations, ...)- Mechanical Parameters (according as specified in the Datasheet)- Electrical Parameters (according 25MHz and 100MHz as specified in the Datasheet)- Approval of production line
