

# Product End of Life Notification

Dear valued customer,

Due to a declining inventory of processed wafer material required to build the subject products, we are forced to offer a last time buy on these. We no longer have the ability to source wafers to build more sensors and we are therefore exiting this business. Please let us know how many units you will require as part of this last time buy offer. We will do our best to comply with all requests and quote these accordingly.

While we know this will cause disruptions in your manufacturing, we hope that through this EOL offer we are able to reduce this to a minimum. Please reach out to the contacts below in Sales or Customer Service with any questions or concerns regarding this notification.

<b>Date of Issue</b>	April 30 <sup>th</sup> , 2017
<b>Title of Change</b>	End Of Life notification on CCD Product Line
<b>Originator</b>	Denis Boudreau
