Subject: Option of 852/853 for 652 fuseholders

This is a 90 days PCN.

With regards to the above reference, we would like to obsolete the 652 fuseholders as we have similar options of 852/853.

Affected part numbers

The 652 has 2 types of knobs (653 normal and 655 fingergrip). Both types can be ordered with silicon ring ending 405 or without silicon ring ending 705.

IP40 type combinations

1) base 6520000405 with normal knob 6530000705 --> replaced by combination: base 85200001009 with knob 85500001009

2) base 6520000405 with finger grip knob 6550000705 --> no fingergrip available

IP54 type combinations

3) base 6520000405 with normal knob 6530000405 --> replaced by combination: base 85300001009 with knob 85600001009

4) base 6520000405 with finger grip knob 6550000405 --> no fingergrip available

Going forward / Timeframe

Last time buy would be 22nd Sept 2009. PCN would be effective 22nd Oct 2009.

Please let us know should you have further queries.
