NOTIFICATION TYPE: This product End of Life Notice discontinues the noted Plastic Spacer components.

DESCRIPTION AND PURPOSE:

In an attempt to minimize the number and frequency of product discontinuance notices to its customers, BIVAR is publishing this quarterly product discontinuance notification.

BIVAR continually monitors worldwide sales and billings activities on all the products offered to its customers. The activity for the products on the attached device list has declined to a level that warrants the discontinuance of these products. Some devices may have an alternate standard device or a suggested replacement as an alternative solution.

BIVAR wishes to promptly inform our customer of our intent to exit this small portion of our overall product offering so that you may plan appropriately and effectively for replacement devices. BIVAR has provided a list of replacement devices, where available, to aid in this process.
