<input type="checkbox"/> Technical Requirement	<input type="checkbox"/> Product Transition
<input type="checkbox"/> Customer Requirement	<input checked="" type="checkbox"/> Product Discontinuation
<input type="checkbox"/> Quality Improvement	<input type="checkbox"/> Product Enhancement
<input type="checkbox"/> Change of Production Location	<input type="checkbox"/> Other (Brand Change)

Description of change	<p>Anywhere USB products have traditionally had a part number for North America and a part number for International (rest of world) with the only difference being the power plug accessory. Recently, the pairs of part numbers have been made identical by including the power plug accessory in the North America part numbers. As part of the effort to streamline our product offers, we are consolidating the part numbers into one WorldWide SKU. Certifications are identical on each of the part number consolidations.</p> <p>Please have customers begin ordering the part numbers that are not being discontinued immediately. Details below.</p> <table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr style="background-color: #92d050;"> <th colspan="2">Discontinued Part Numbers</th> <th colspan="2">Replacement Part Number</th> </tr> </thead> <tbody> <tr> <td>AW-USB-2-W</td> <td>AnywhereUSB/2, Intl</td> <td>AW-USB-2</td> <td>AnywhereUSB/2, WorldWide</td> </tr> <tr> <td>AW-USB-5-W</td> <td>AnywhereUSB/5 Intl Gen2</td> <td>AW-USB-5</td> <td>AnywhereUSB/5 WorldWide</td> </tr> <tr> <td>AW-USB-5M-W</td> <td>AnywhereUSB/5 MHC Intl</td> <td>AW-USB-5M</td> <td>AnywhereUSB/5 MHC WorldWide</td> </tr> </tbody> </table> <p>This is an ongoing effort to streamline and consolidate our product offerings to focus on consistent product availability while maintaining our high quality.</p> <p>All LTB purchase orders are NCNR (non-cancellable/non-returnable).</p> <p>Standard warranty policy will apply to all LTB purchases.</p>	Discontinued Part Numbers		Replacement Part Number		AW-USB-2-W	AnywhereUSB/2, Intl	AW-USB-2	AnywhereUSB/2, WorldWide	AW-USB-5-W	AnywhereUSB/5 Intl Gen2	AW-USB-5	AnywhereUSB/5 WorldWide	AW-USB-5M-W	AnywhereUSB/5 MHC Intl	AW-USB-5M	AnywhereUSB/5 MHC WorldWide
