

Honeywell Announces Obsolescence of Limitless™ Wireless Product Lines

Honeywell is announcing the last time buy for the WBX, WCX, WOI, WPS, and WMPR Limitless™ Wireless product lines and all related accessories. Honeywell values its customers and realizes that incorporating wireless products from another manufacturer into their applications may require transition time. Thus, Honeywell is facilitating a Last Time Buy for its customers to help ease that transition.

There is a limited supply of inventory, and additional components may be limited by supply constraints. Accordingly, in the event the inventory has been depleted, the opportunity for the Last Time Buy of the Affected Part Numbers may close sooner than the dates mentioned in the Timeline of Events shown below.

WARRANTY/REMEDY

Honeywell warrants goods of its manufacture as being free of defective materials and faulty workmanship during the applicable warranty period. Honeywell's standard product warranty applies unless agreed to otherwise by Honeywell in writing; please refer to your order acknowledgement or consult your local sales office for specific warranty details. If warranted goods are returned to Honeywell during the period of coverage, Honeywell will repair or replace, at its option, without charge those items that Honeywell, in its sole discretion, finds defective. **The foregoing is buyer's sole remedy and is in lieu of all other warranties, expressed or implied, including those of merchantability and fitness for a particular purpose. In no event shall Honeywell be liable for consequential, special, or indirect damages.**
