*Phoenix Contact's factory has announced the following product(s) is going to be discontinued. Existing specifications will be met or exceeded. Technical support of the discontinued product will continue, as required. Please review and acknowledge this document and take the appropriate action with respect to your existing inventory and ordering replacement parts.*

#### Description for Product Discontinuation

Legacy D25 housings are being discontinued with the addition of our current D25 housings. Legacy housings included a powder coating and extra threaded sleeves. The current versions do not require a powder coating to achieve the same performance levels, and threaded inlets are built into the housing itself.

#### Stock Status

Can existing stock still be used?	Yes
