Introduction of new sub-packages for PQFN 12x7 driver products

Information Notification

To further improve the reliability performance of PQFN 12x7 driver products B11G1822N60D, B11G2327N70D and B11G3338N80D a new sub-package is introduced. B11G2327N70D and B11G3338N80D with new subpackage will be renamed to B11G2327N71D and B11G3338N81D. Consequently also the corresponding datasheets are updated to reflect the change in the datasheets (including correction of typos). Further details can be found in the presentation in the ePCN tool.

Why do we implement this change?

To inform the customer on the changes made in the affected products
