Reason for Changes:

Dear Customer, we hereby inform you about a transfer of processes. The transfer follows a strict procedure, which maintains quality, ability to supply, and form-fit-function of the products. The new manufacturing location operates under a certified quality management system in accordance with standard automotive requirements. As part of the production move, we will start to ship QS1500 products after 25th Aug 2018 from the Trutnov facility. After this date TE reserves the right to provide qualified products from any of the manufacturing locations during this transfer until the final closure date of Menlo Park location in 2019. As not all part numbers will transfer at the same time customers may still receive Products Menlo Park after this transfer date due to inventory we will carry to allow this transfer to happen and to minimize impact to our customers. Where necessary TE will continue with internal qualification and testing of products after they are received at the new locations.
