

EFFECTIVE May 31, 2013

May 3, 2013

Dear Fluke Distributor:

As we are depleting the EOL core components on our FLUKE-572, FLUKE-574, the following models and its related accessories will be phased out effective May 31st 2013 or until no longer available. There will be a replacement model available sometime in Q3.

This letter is your notification of our product change.

PLEASE INFORM ALL RELEVANT PERSONNEL WITHIN YOUR ORGANIZATION.

Prod Family	MODEL	Fluke Part Number	DESCRIPTION
TEMP	FLUKE-572	2436583	PRECISION IR THERMOMETER
TEMP	FLUKE-572-CF	2436601	PRECISION IR THERMOMETER W/CLOSE FOCUS

TEMP	XXXMXV1	2475307	110VAC VOLTAGE ADAPTER FOR MX4+

Important Note:

Minimum Advertised Price (MAP) policy does not apply to obsolete products, therefore it is Fluke's expectation that Distributors with inventory on-hand will make their best effort to sell the Products affected by this obsolescence notification.

Stock Rotation Policy:

Fluke will allow distributors with inventory on-hand of the products affected by this notification to stock rotate the units until October 31, 2013 if the conditions below are satisfied.

1. A new order equal to the minimum re-order or the return dollar amount, whichever is greater, is placed with Fluke on TEMPERATURE Products (either on the replacement models or existing TEMPERATURE models) at the time of return. Promotional orders or orders placed prior to the RMA request will not be considered as offsetting; and
2. Fluke has given prior approval for the return of such Products; and
3. The products were purchased no more than one (1) year before return date; and
4. Products are in new condition and in its original packaging.

Should you have any questions regarding these changes, please contact your Territory Sales Manager.
