

End-of-Life Notice

EOL #: EOL16110801

Ver. 1.0

Issue Date: Dec 18, 2018

Type of EOL: Product line planning

Reason for EOL:

Due to ATP future product line planning, and market requirements, ATP discontinues SD SLC 32GB product line, and recommends ATP SD TLC products. ATP TLC SD cards are available with Industrial operating temperature and are utilizing SLC Mode to significantly enhance endurance and reliability.

Products Affected:

ATP Part Number	Product Description
AF32GSDI-5AAXX	32GB Industrial Grade SLC

Implementation Date: Effective immediately

Recommended Action:

Please contact ATP representatives for replacement, and requalification.

Reference Documents / Attachments: N/A

Should you have any issues with the timeline or content of this notice, please contact ATP representative **within 10 days**. No response will be deemed as customer's acceptance of the notice and the end-of-life plan will be implemented pursuant to the milestones set forth in this EOL Notice.
