Re: Obsolescence of PSS and PSD Series

Dear Valued Customer / Partner,

TDK-Lambda has received EOL notices for key semiconductors and control ICs used in our PSS and PSD series of DC-DC converters. Without suitable component alternatives, we are offering a last time buy for these products. The CC-E is a drop in replacement and a listing of the models and the replacement parts can be found in subsequent pages.

TDK-Lambda recognizes that as a past or current customer of these products, you may require additional units for service spares. We are offering a last time buy opportunity until April 1st, 2017, with a last time ship date of September 29th, 2017. Please understand that these orders would be non-cancelable and non-returnable.

Please contact our technical support for additional information. 1-800-526-2324 or email lambda.techsupport@us.tdk-lambda.com

A handwritten signature in black ink, appearing to read "Tom Tillman", enclosed within a hand-drawn oval.
