Product	New Ordering Code	

Reason of Change:

- | | |
|---|---|
| <input type="checkbox"/> Technical requirement
<input type="checkbox"/> Customer requirement
<input type="checkbox"/> Quality improvement | <input type="checkbox"/> Change of production process/logistical changes
<input type="checkbox"/> Location of production moved
<input checked="" type="checkbox"/> Other: 2nd source material |
|---|---|

Description of change:	<p> </p> <p>This PCN is to notify an introduction of a new band 8 duplexer used in the above mentioned models. This new band 8 duplexer is equal in form, fit, and function in respect of the known duplexer and will be supplied by the same vendor.</p> <p>Thales will introduce it as 2nd source. This means at the discretion of Thales either the old or the new duplexer will be mounted.</p> <p>The new duplexer doesn't require any further change. Thus all other components and the software remains untouched which means this modification is not certification relevant.</p> <p>The new duplexer is needed in order to ensure the further supply chain.</p>
Schedule details:	CW/YEAR
Availability of SW for evaluation:	not applicable
Shipments possible ex THALES DIS AIS Deutschland warehouse:	CW22/2021

Timing note:

If THALES DIS AIS Deutschland GmbH does not receive a notification to the contrary within a period of 6 weeks, THALES DIS AIS Deutschland GmbH assumes that the customer agrees to the change.

Quality assurance measurements:

The new version fulfils all internal test requirements according to our Quality Management process and philosophy.
