Affected Process <input type="checkbox"/> Assembly <input type="checkbox"/> Molding <input type="checkbox"/> Stamping <input checked="" type="checkbox"/> Plating			
Change on: <input type="checkbox"/> Drawing <input checked="" type="checkbox"/> Process <input type="checkbox"/> Material <input type="checkbox"/> Specification <input type="checkbox"/> Packaging <input type="checkbox"/> Tooling Modification <input type="checkbox"/> New Tooling <input type="checkbox"/> Manufacturing Location <input type="checkbox"/> Others			
Reason for change: 1. To improve solder-ability 2.			
Proposed change: <b>1. Terminals will be tin plated instead of a gold flash.</b> <div style="display: flex; justify-content: space-around; align-items: center;"> <div style="text-align: center;">             Gold flash         </div> <div style="text-align: center;">             Tin plated         </div> </div> <p>2.</p>			
Proposed Transition/change over: Any new orders or any current open orders will have the new tin plated terminals. This is a running change for product improvement any does not affect any form, fit, nor function of the switch.
