Product Change Notification

1. ECR #: 210028
Notification #: 618

2. Date of Announcement: December 07, 2021

3. Series:
• FSI - 1mm SINGLE ELEMENT INTERFACE

4. Part #'s Affected
• FSI-1XX-06-XXX-D-X-AT-X-XX
• FSI-1XX-06-XXX-D-X-AB-X-XX
• FSI-1XX-06-XXX-D-X-AD-X-XX

5. Description of Change:
Add voids to insulator at both top and bottom surfaces. This will be a rolling change and new revision insulator will be used once current revision is depleted.

6. Method of Identifying Change
The change can be seen visually by reviewing the images below.

Before Change, Top View

After Change, Top View

Before Change, Bottom View

After Change, Bottom View

7. Reason for Change:
The revised design improves the insulator strength and is intended to prevent the body fracturing when the threaded inserts are installed. Threaded insert retention force and torque force remain within specification after the change.

8. Impact of Change on Form, Fit, or Function:
• Form - This is a visual change, which is visible by naked eye.

9. Projected Implementation Date: December 07, 2021

Disclaimer

Please review the change notification details listed above for specific information regarding the nature and timing of the change. While Samtec has taken precautions to ensure this change is not detrimental to your application, each application can be unique and therefore customers should consider the effect of the change on their specific application.

Samtec has taken efforts to ensure that all users of this product who have requested change notifications have been informed. However, you should assume that this is the only notification that will be sent and you, as the recipient, must determine how to communicate this information to your organization(s) and customer(s) as appropriate. If you wish to opt out of receiving Samtec Product Change Notification emails, please contact CustomerECN@samtec.com. Due to technical progress, specifications are subject to change without notification and it is recommended to provide an alternative contact when opting out.

Please contact Samtec at CustomerECN@samtec.com for any questions related to this change.
