

Product Information Letter

Dear Customer,

Transphorm Inc. wishes to advise you that we intend to discontinue the product(s) listed due to a consolidation of our product portfolio as well as our new Gen III direct replacement devices. You are receiving this notification as our records indicate that you have either purchased or submitted technical inquiries regarding one or more of the listed product(s).

End-of-Life Products with Recommended Replacement Parts	
Discontinued Part	Replacement Part
TPH3205WSBQA	TP65H050WSQA

Orders for the listed discontinued products will be accepted until June 30, 2023, providing you with six (6) months to secure product. Please note that all deliveries of end-of-life products must be scheduled for shipment within the next twelve (12) months.

Our intent is to work with customers to meet all existing obligations. However, we may not be able to guarantee delivery of requested quantities if we do not receive discontinued product orders by the above noted date. Further, we recommend you do not wait until the last moment to advise your Transphorm sales representative of your product needs, particularly if you anticipate requiring volume over and above your normal run rate. At your earliest convenience, please provide your sales representative with your forecasts and discuss order scheduling.

It is Transphorm's policy that orders for products on end-of-life buy status are non-cancelable and non-returnable (NCNR).

As a reminder, important dates related to the discontinued products include:

Final orders accepted until: 06/30/2023
 Products must be shipped by: 12/31/2023

We thank you for your attention to this matter. Should you have any questions, please do not hesitate to contact your Transphorm salesperson.

Regards,
 Peter Cheng
 Vice President, Product Marketing and Applications
