RE: End of Life Notice for Select SKUs: Vesta Series Tunable White Gen 1 9mm Array and 13mm Array

Ref: BL-EOL-01082022

Dear valued Customers and Authorized Distribution Partners,

This is an End of Life (EOL) notice for the Bridgelux Vesta Series Tunable White Gen 1, 9mm Array and 13mm Array products. Last time orders must be placed no later than Nov 01, 2022.

Due to market demands and performance improvements realized in Tunable White Array products, Bridgelux is discontinuing the following Vesta Series Tunable White Gen 1 products and recommends its equivalent Vesta Series Tunable White HD replacement products as listed below:
