

Product Change Notification

TE Connectivity

Product Change Notification: P-20-019923

PCN Date: 28-OCT-20

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

AMPLIVAR STATOR BUCHS

Description of Changes

Manufacturing location change. Following Part Numbers will be transferred from current TE Connectivity manufacturing location Collegno, Italy to TE Connectivity Qingdao, China.

Reason for Changes:

Dear Customer, as TE continuously strive for improving our supply chain and service, we hereby inform you about the changing of manufacturing location to improve capacity and lead time. This manufacturing location change follows a strict procedure, which guarantees quality, ability to supply, and form-fit-function of the concerned products. The future manufacturing location(s) operates under a certified quality management system according to the standard industry requirements. TE internal release, based on our specifications, is executed before delivery, to guarantee our product(s) performance.
