DESIGN KITS

April, 2015

Bourns® Model H-830 & H-831 Design Kits to be Discontinued

Bourns will be discontinuing the [Model H-830](#) and [H-831 Design Kits](#). The reason for this obsolescence is that these two kits have been consolidated into a single Design Kit, [Model H-830-1](#).

The recommended replacement Model H-830-1 Design Kit contains a selection of Bourns® Model 3310 Mini Panel Control part numbers to provide designers with options for single and dual-gang designs.

Obsolete Design Kit Part Numbers	Recommended Replacement Kit
H-830	H-830-1
H-831	

Please plan for the following deadlines:

Last time buy date: August 31, 2015

Last time ship date: February 29, 2016

Should you have any questions or need additional information, please feel free to contact [Customer Service/Inside Sales](#).
