2.3 Reason for discontinuation

Tooling for the BCD complement coding and the extended shaft versions are no longer viable.

For other versions, demand has decreased to insignificant levels.

Volumes are not large enough to support investment in new tools or to justify specific machine set-up.

3. Date of application

- Last Time Buy: March 30th, 2018
- Last Delivery: June 29th, 2018
- Date of Discontinuation: June 29th, 2018
