**Part Number:** [1301080146](#)  
**Status:** **Active**  
**Overview:** [Wide-Area Lighting Products](#)  
**Description:** Super-Safeway 40W Fluorescent Machine Light, Screw Mount with 18/3 SJTOOW Cord Type, Overall Cord Length 4.57m (15.0')

**Documents:**

[RoHS Certificate of Compliance \(PDF\)](#)      [Product Literature \(PDF\)](#)

**Agency Certification**

CSA                      LR85374  
 UL                        E174254

**General**

Product Family                      Portable Lighting  
 Series                                  [130108](#)  
 Exclude SD Check                      Yes  
 NEMA Configuration                      NEMA 5-15  
 Outlet                                      None  
 Overview                                  [Wide-Area Lighting Products](#)  
 Product Literature Order No              987650-8054  
 Product Name                              Super-Safeway  
 Type                                        Wide Area Lamps  
 UPC                                         78678861263

**Physical**

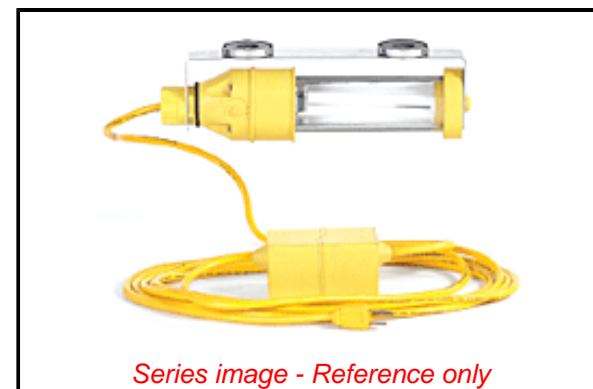

Cord Length - Primary                      4.57m (15.0')  
 Cord Length - Secondary                      N/A  
 Depth                                        76.20mm (3.000")  
 Duty    Industrial  
 Guard Included                              No  
 Guard Type                                  N/A  
 Height                                        57.15mm (2.250")  
 Length                                        798.83mm (31.450")  
 Material - Globe                              Clear Polycarbonate  
 Material - Guard                              Nitrile Rubber 80 Shore A  
 Mounting Style                              Screw-Bracket  
 Packaging Type                              Carton  
 Socket Construction                        N/A

**Electrical**

Bulb Type                                      Fluorescent  
 Cord Type - Primary                        18/3 SJTOOW  
 Lamp Type                                    PL-L 40/41  
 Lamp Wattage - Maximum                      40W  
 Lumens                                        2970  
 On/Off Switch                                Yes  
 Voltage (Fixture) - Maximum                120VAC 60 HZ
