PCN Type: Discontinuation

PCN Title: Discontinuation of MCR/MNR series of resistors from ROHM Semiconductor

Type of Parts: Resistors

Description of Change:

Discontinuation of MCR/MNR series of resistors from ROHM Semiconductor

Reason for Change:

Digi-Key Electronics has elected to discontinue the MCR/MNR series of resistors from ROHM because ROHM is facing a critical supply constraint due to a sudden increase in demand. At this time, ROHM can no longer accept new orders on the MCR/MNR series of resistors. Additionally, they have cancelled existing orders, which means we are unable to satisfy delivery of existing customer backorders. Once Digi-Key's inventory is depleted, no new orders for this product are being accepted. Digi-Key sincerely apologizes for the inconvenience this has caused you.
