

Dear Red Pitaya Customer,

Thank you for your continued use of Red Pitaya STEMLab 125-10 products.

Important Notice – End Of Life

Red Pitaya appreciates your support on our STEMLab 125-10 products throughout the years. It is time to give way to newer versions, so we are announcing the manufacture discontinue and End of Life of STEMLab 125-10 board.

Reason for End Of Life

After a decade of the product being on the market and considering the current state of the supply chain and the fact, that some of the components have become obsolete, we have decided to take the product off the market.
