## Before Change

### PCN 509266 Overview

- This is to notify our customers that we are obsoleting the list of parts attached to this notification with replacements (With Differences).
- The reason for this is obsolescence due to tool crash, and we will not be able to continue production. Hence, we are obsoleting with immediate effect and no LTB date.
- Part Number Impact
  - See attached impacted parts list

## After Change

### Impact Part Number List & Its replacement

Obsolescence Material PN	Replacement part	Replacement Type
