

Product Obsolescence Notification

Issue Date: November 24, 2015

OBS V15-112415-ECD-0A

Dear Customer,

Avago Technologies regrets to announce the obsolescence of the following product:

Avago Part Numbers	Description	LTB Date (LTB)	LTS Date (LTS)	Minimum Order (MOQ)
LPe16202-X	Gen 5 (16GFC), 8GFC or 10GbE FCoE Converged Fabric Adapter, PCIe 3.0 dual-port	February 26, 2016	February 26, 2016	10

Customers interested in Fibre Channel Adapters should order the LPe16000B or 16002B HBAs. For Ethernet specific solutions, please contact ECD Ethernet Product Marketing for guidance on OCe Products.

Please provide your Avago Sales Office with your lifetime Last Time Buy order requirements (LTB) for the above products no later than the date noted in the above table. These orders are non-cancelable, non-returnable and cannot be rescheduled. Orders received after the Last Time Buy order (LTB) date noted in the above table cannot be accepted.

The last requested delivery date for these orders may not be later than the LTS date noted in the above table. Due to inherent variations in yields, Avago Technologies reserves the right to ship up to 5% under the original last time buy quantity, and this quantity will fully satisfy Avago Technologies' obligation to deliver that product under this last time buy agreement.

All last time buy orders must be placed based on Avago Technologies' minimum order quantity requirements per the above table. All prior commitments regarding Avago Technologies minimum order requirements do not apply to last time buy orders. Avago Technologies reserves the right to limit last time buy quantities based on capacity and material availability.

Please contact your Avago Technologies field sales engineer or Contact Center (<http://www.avagotech.com/contact/>) for any questions or support requirements. Please return any response as soon as possible, but not to exceed 30 days.
