<b>Description of change</b>	<p>The Connect SP products have traditionally had a part number for North America (domestic) and a part number for International (rest of world) with the only difference being the power supply accessory. As part of the effort to streamline our product offers, we are consolidating the two part numbers into one WorldWide part number. Certifications are identical on each of the part numbers.</p> <p>Digi is consolidating the Domestic (North America) and International (Rest of world) part numbers for the Connect SP –S product line. Part numbers below.</p> <ul style="list-style-type: none"> <li>As of August 15, 2017, the replacement part number will be updated with a different power supply that allows for exchanging of the power plug. The power supply will ship with a US power plug on the power supply and a separate box containing EU, UK and AUST plugs.</li> <li>The current International part number will continue to ship as is until final shipments in September 2017.</li> </ul> <p><b>Replacement part numbers are Form, Fit and Function equivalent.*</b></p> <table border="1"> <thead> <tr> <th colspan="2">Discontinued Part Numbers</th> <th colspan="2">Replacement Part Number</th> </tr> </thead> <tbody> <tr> <td>DC-SP-01-S-W</td> <td>Connect SP –S, Intl</td> <td>DC-SP-01-S</td> <td>Connect SP -S, WorldWide</td> </tr> </tbody> </table> <p>This is an ongoing effort to streamline and consolidate our product offerings to focus on consistent product availability while maintaining our high quality.</p> <p>All LTB purchase orders are NCNR (non-cancellable/non-returnable).</p> <p>Standard warranty policy will apply to all LTB purchases.</p>	Discontinued Part Numbers		Replacement Part Number		DC-SP-01-S-W	Connect SP –S, Intl	DC-SP-01-S	Connect SP -S, WorldWide
