

**Product Obsolescence Notification
With Replacement**

PCN # 10525041

To: All active customers
From: Pat Killian; pkillian@molex.com; 630-527-4223
cc:
Date November 10, 2011

Series / Product Family: 8980
Part Numbers Affected: 02-08-1202
Product Description: Female, 14 - 20 AWG, .084" terminal, loose piece
Product Image: Enter if applicable
Replacements: 02-08-1201 (Female, 14 - 20 AWG, 084" terminal, on reel)

Last Order Entry Date: None
Obsolescence Effective Date: November 10, 2011

For further information please contact your local sales representative.

PCN Obsolescence special note:

The tooling no longer exists at the manufacturing plant to cut terminals loose from the reel. The base product, the terminals on the reel, is unaffected by this change and is still available. As noted above, that is the 02-08-1201 terminal. Distributors with value added capability could cut terminals loose from a standard reel if a customer prefers loose pieces.
