Product Discontinuation

PDN-ION-1381-2018

Business Unit	Product Line Code	Type of Change	Action	Date of Issue
ION - I/O and Networks	DNC	Product Discontinuation	Notify Distributors and Field	3/9/2018

Phoenix Contact's factory has announced the following product(s) is going to be discontinued. Existing specifications will be met or exceeded. Technical support of the discontinued product will continue, as required. Please review and acknowledge this document and take the appropriate action with respect to your existing inventory and ordering replacement parts.

Description for Product Discontinuation

The following products have reached end of life and will not be available once current stock reaches zero. The products listed below are point to point radio sets, and the individual components that make up those sets. These sets are stand alone systems and are still valid for current applications if the product is needed.

The replacement for these sets will be part of the Radioline 900 MHz product line. A table with replacement information is attached in this email. For sets with outdoor NEMA4X parts in them, the NEMA4X replacement will not be available until August 2018.

Please see attachment '**PDN UD Radio discontinuation.pdf**' for more specific details on the replacement parts for each part number.

If you have questions regarding the best option of replacement please contact Technical Support.

Stock Status

Can existing stock still be used?	Yes
Is mixture of stock acceptable?	Yes

Last Buy from Phoenix Contact:	12/31/2018
Last Scheduled Ship from Phoenix Contact:	12/31/2018

Product Discontinuation

Should you have any issues with the timeline or content of this product discontinuation, please contact Phoenix Contact using the information below. Customers should acknowledge receipt of the PDN within 30 days of delivery of the PDN; provided, however, that the failure to acknowledge receipt does not affect the product discontinuation or the effective date thereof.
