

Product Change Notification

PCN-ICC-5668-2020

Business Unit	Product Line Code	Type of Change	Action	Date of Issue
ICC - Industrial Cabinet	BE2	Product Change Notification	Notify Distributors and Field	7/20/2020

The following Phoenix Contact products have been modified. Existing specifications will be met or exceeded. Please review and acknowledge this document and inform your personnel as needed.

Description for Product Change Notification

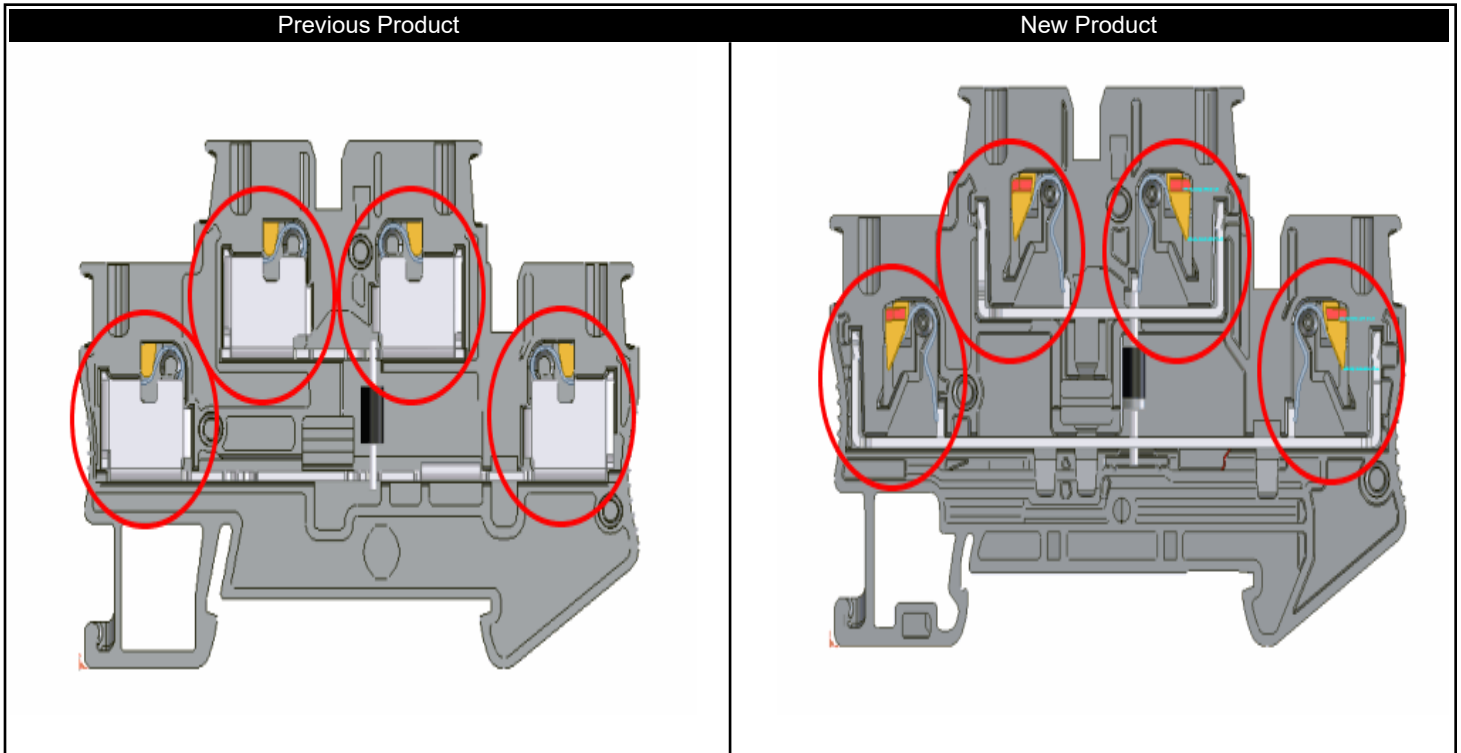

The specified Push-in diode, function, and high-voltage blocks will be changed to the familiar L-shaped current bar design. This is necessary for production because most of the Push-in product lines are already using the same, new current bar design.

Stock Status

Can existing stock still be used?	Yes
Is mixture of stock acceptable?	No

Transaction Dates

Date modification goes into effect from Germany:	11/1/2020
Expected first shipment (from Phoenix Contact) of the modified products(s):	5/1/2021

Product Change Notification

Should you have any issues with the timeline or content of this product change, please contact Phoenix Contact using the information below. Customers should acknowledge receipt of the PCN within 30 days of delivery of the PCN; provided, however, that the failure to acknowledge receipt does not affect the product change or the effective date thereof.
