Product Change Notification

PCN-TT-1666-2018

| Business Unit | Product Line Code | Type of Change | Action | Date of Issue |
|---------------|-------------------|-----------------------------|-------------------------------|---------------|
| TT - Trabtech | CLA | Product Change Notification | Notify Distributors and Field | 5/29/2018 |

The following Phoenix Contact products have been modified. Existing specifications will be met or exceeded. Please review and acknowledge this document and inform your personnel as needed.

Description for Product Change Notification

The start up of the connected loads has been optimized for improved performance. Tripping characteristics remain unchanged.

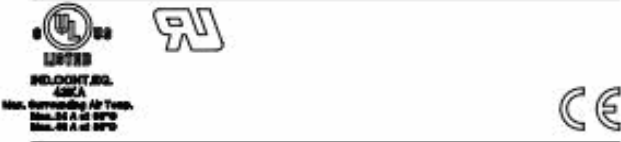

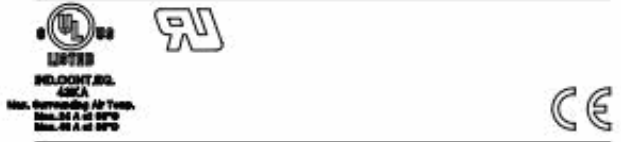

The version code on the new products will be 05 for the 1-4A and 1-10A (NO and NO-C). The IO Link and the 1-4A+ products will be version code 02.
