

Product Change Notification

TE Connectivity

Product Change Notification: P-22-022005

PCN Date: 17-JAN-22

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
TC-4P MQS 936119-x Localization & TC-4P MQS TAB HSG Localization

Description of Changes
Duplication of assembly machine and all molding tools (housing, retainer mold tools) in TE China/Kun shan plant, in order to respond to demand increase. This PCN only for China customer and the new part only ship to China customer.

Reason for Changes:
Dear Customer, as a result of our continuous strive for improving our processes, we hereby inform you about an expansion in TE China/kunshan plant. The new manufacturing location is under a certified quality management system according to the standard industry requirements. An internal release based on our specifications will be executed before any parts will be delivered, which guarantees the performance. Upon request, A PPAP Level 2 will be available if it concerns a duplication of a tool which produces a finished TE-Product. Please notify the responsible TE sales contact within 20 Calendar days after receipt of this PCN, this PCN only for China customer and the new part only ship to China Customer.
