After Change

Overview

- Change Content: 51441 Series manufacturing location change
- Change Reason: Because the capacity limited in Molex shanghai, the manufacturing location will be transfer to a new manufacturing location. But there are no change for the tooling and auto-assembly machines .
- Before change: Molex manufacturing location, Molex SH
- After change: Molex contract manufacturer, China.
The Molex contract manufacturer is an established ISO9001 plant and is already the home of many series PFC assembly products. This project will allow Molex to continue our tradition, provide the same quality products and improve our overall capacity.
- Detail schedule :
Transfer beginning schedule: middle of Dec 2018
Sample qualify and PPAP release schedule: middle of Feb 2019
Mass production schedule: middle of Mar 2019
