PRODUCT: Rope Pull Tensioner Kit
TYPE: Modification Notice

Rope Tensioner Kit SM06-TKD0 [44506-0700] Modified With Different Grips and Packaging by Component Type

The tensioner kit for use with the ER series of Emergency Rope-pull Switches has been upgraded; the contents of the kit has not changed and contains all of the items necessary for the installation at each end of the cable run.

Effective date: June 13, 2016

Reason for modification: This change was made to improve quality and delivery.

Affected Part

There is no change of ordering:

Part Number: 44506-0700

Model Number: SM06-TKD0

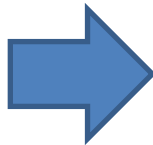

Description: TENSIONER KIT (TURNBUCKLE, 8 ROPE GRIPS, 4 THIMBLES)

Description of Change

The look, feel and performance of the TURNBUCKLE, 4 THIMBLES is the same; the 8 ROPE GRIPS have changed in their look but perform the same function.
