PRODUCTS AFFECTED:	EM7590		
SKUS AFFECTED:	1105039		
BULLETIN:	<i>Update label to incorporate Japan regulatory markings. Customer Part Number Update Add AT&T and T-Mobile approved FW Update Generic FW Add Verizon TA candidate FW</i>		
URGENCY:	Normal		
FOR DISTRIBUTION TO:	OEM's and their partners		

Summary

As an effort to extend the EM7590 global coverage, Sierra Wireless have completed additional carrier and country regulatory certifications on the EM7590.

AT&T, Verizon, and T-Mobile carrier certified FW packages are added the SKU. Generic FW is also being updated.

In addition, Japan regulatory markings is added to SKU 1105039 module label. The Customer Part Number will be updated from Rev A to Rev B to allow customers to differentiate the different module revisions visually.
